Decorative Felt

The above felt is produced from 1/9" to 1" thick (F-50 to F-55 felt is produced 1/16" - 3/32" thick). Sutherland also stocks a wide array of sheet felt, felt stripping, and felt wicking. Sutherland can custom engineer a felt product to meet your specific weight, density, & thickness requirements. Please note, gray of industrial wool felt may vary from different production runs.

Custom Dyed Felt

Crate Lining Felt

Black Felt
(1-4 mm)

Felt Wicking
(1/8" - 1" dia.)

Felt Flock
